

HARLEY LANGDALE, JR.
COLLEGE OF BUSINESS ADMINISTRATION

Dr. L. Wayne Plumly, Jr., Dean
216 Thaxton Hall

Dr. Mel E. Schnake, MBA Director
208 Pound Hall
Dr. Leonard Weld, M.Acc. Director
214 Pound Hall

The Harley Langdale, Jr. College of Business Administration at Valdosta State University offers the Master of Business Administration (MBA) program and a Master of Accountancy (MAcc) program. With five other AACSB-accredited business schools in Georgia, the Langdale College also offers a collaborative, web-based Master of Business Administration (WebMBA) program. Valdosta State University graduates from both programs receive the same VSU Master of Business Administration degree.

The MBA and WebMBA programs are designed to offer graduate business education that prepares graduates for management careers in both for-profit and not-for-profit organizations. The programs integrate knowledge of the functional areas of business with ongoing developments in business practice. Furthermore, the programs seek to develop students' critical thinking, problem-solving, and communication skills, appreciation for diverse cultural perspectives, and ability to solve real-world business problems.

The MBA and WebMBA programs are fully accredited by AACSB International—The Association to Advance Collegiate Schools of Business, the premier national accrediting agency for programs in business administration. This accreditation places the Langdale College in the top 5% of all business schools worldwide.

The MAcc is a specialized graduate degree that prepares its graduates for careers in public accounting. The program integrates accounting knowledge within the broader context of the other functional areas of business. The MAcc program seeks to develop students' critical thinking, problem-solving, communication, and technology skills.

The Langdale College occupies Pound Hall and Thaxton Hall on VSU's Steele North Campus. These state-of-the-art facilities include multi-media classrooms, a student computer lab, and two computer teaching classrooms.

Prior to admission to any graduate program at Valdosta State University applicants must first submit a completed application packet to the Graduate School. A completed application packet includes official transcripts from all institutions previously attended, official test scores (GMAT or GRE), completed application form, fee, and any additional program requirements submitted by the admission deadline. To be considered for the preferred term all required materials must be received by the Graduate School no later than the close of business on the deadline. It is the responsibility of the applicant to allow adequate time for document submission and to ensure receipt of documents.

GEORGIA WEBMBA® PROGRAM
“GEORGIA’S MBA FOR THE NEW MILLENNIUM”

The collaborative, web-based Master of Business Administration (WebMBA) program is offered by five AACSB-accredited business schools in Georgia (Valdosta State University, Kennesaw State University, Georgia College and State University, Georgia Southern University, and University of West Georgia). The purpose of this program is to enhance the graduate educational opportunities for working business professionals in Georgia. To view the Georgia WebMBA Consortium Web Site, please see <www.webmbaonline.org>.

All five schools admit students, who participate in a common curriculum. Each WebMBA consortium school provides faculty who are academically or professionally qualified. The faculty members for this program are among the strongest graduate faculty for each school in terms of teaching, research, and business experience.

A new WebMBA cohort is admitted each Fall Semester. Two WebMBA courses will be offered each semester, including summer terms. A student may complete the entire program in five semesters.

Web MBA and MBA Learning Goals

MBA students will be:

1. Competent in the business disciplines, using appropriate accounting, marketing, economics, quantitative methods, organizational behavior, finance, or production knowledge and tools to make a business decision in that functional area.
2. Critical thinkers, using concepts from strategic management to integrate relevant information, decision-making techniques, and concepts from multiple business functions to make decisions in new or unpredictable environments.
3. Effective communicators, using information technology and oral and written skills to enhance decision making through better communication.
4. Proficient in making ethical and legal decisions, recognizing cultural differences in the legal and ethical implications of business decisions.
5. Globally cognizant, identifying management issues in a global environment with disparate business views and culturally diverse customers and employees.
6. Team players and leaders, demonstrating the team and leadership skills needed to make a business decision.

Examples of Goal Assessments

1. Students complete knowledge tests related to relevant learning objectives for each course.
2. Students complete class exercises, group projects and present cases in oral and written form.
3. Faculty observe and rate students on teamwork and leadership skills.

COLLEGE OF THE ARTS

Dr. John C. Gaston, Dean
2273 Fine Arts Building

Assistant Dean: Mr. Mike Savoie
Department of Art: Mr. A. Blake Pearce, Head
Department of Communication Arts: Dr. Carl Cates, Head
Department of Music: Dr. James A. Shrader, Head

The Valdosta State University College of the Arts includes the Department of Art, the Department of Communication Arts, and the Department of Music. The organization of the disciplines of the performing and visual arts into one academic unit reflects a traditional and continuing commitment to scholarship in the fine arts.

The College of the Arts offers graduate degree programs with majors in communication and music education in cooperation with the College of Education. The graduate faculty members of the College of the Arts maintain the strong belief that their teaching role is a significant aspect of their professional life. Arts faculty members also maintain a strong commitment to scholarly and creative research as well as service to the institution, region, and to their profession.

The College of the Arts mission centers on the preparation of professionals for a variety of roles in the arts. At the graduate level, the Master of Arts in Communication degree program prepares students for study at the doctoral level and for advancement in their professional fields. The Master of Music Education program prepares teachers in these disciplines to be leaders in their schools and provide substantial learning for the students in their care. The Master of Music Performance is a 36-semester-hour, non-thesis master's degree program intended to further the musical and academic skills of accomplished musicians.

The College of the Arts provides numerous cultural and artistic opportunities for students including theater, dance, Valdosta Symphony Orchestra, jazz band, media production and art exhibitions. The college is also home to VSU TV, the University's cable-access channel. The Valdosta State University College of the Arts is an accredited institutional member of the National Association of Schools of Art and Design, National Association of Schools of Music, National Association of Schools of Theater, the Southern Association of Colleges and Schools, and the National Council for Accreditation of Teacher Education.

DEPARTMENT OF ART
Mr. A. Blake Pearce, Head
Room 109, Fine Arts Building

The Department of Art, in cooperation with the Department of Middle, Secondary, Reading, and Deaf Education, offers a Master of Education degree with a major in middle grades education or a major in secondary education–teaching field ART. This M. Ed. program begins with a new cohort every 2 1/2 years, as determined by the prescribed sequence of education courses and available courses in the Art Department. A cohort must have a minimum of five students in order to guarantee classes. Students entering this degree program must be certified in Field 764-Art and must have a minimum of two years of teaching experience and the necessary foundation and professional education course work for advanced study. Coursework for the primary content courses is chosen from among advanced courses in studio, art history, analysis, criticism, philosophy of art, and art education. The track requires a minimum of one advanced course in art history, one in studio, and one in art analysis. Students are expected to complete a final project indicating achievement within a specialized area of inquiry pertaining to the classroom. Students enrolled in the program will be expected to work with the faculty in the Art Education and Middle, Secondary, Reading, and Deaf Education Departments to facilitate advising and portfolio development. Advising for this major is done in the Art Department.

Selected Educational Outcomes for Advanced Teacher Education Programs

Students in advanced teacher education programs must

1. demonstrate in-depth knowledge of the content that they teach.
2. demonstrate a broad range of instructional strategies and technologies that promote student learning.
3. demonstrate a clear explanation of the choices they make in their practice.
4. provide evidence of reflection on their practice by identifying their strengths and areas of needed improvement.
5. exhibit evidence of using student, classroom, and school performance data to make data-driven decisions for teaching and learning.

Selected Program Assessments (Advanced Teacher Programs)

Majors in advanced teacher education programs will

1. demonstrate the level of their content knowledge through performance on comprehensive examinations or completion of a capstone project.
2. demonstrate use of instructional strategies and technologies through completion of a self-evaluation of teaching episode.

DEPARTMENT OF COMMUNICATION ARTS

Dr. Carl Cates, Head
Room 1011, Nevins Hall

The Department of Communication Arts offers a graduate program that leads to a Master of Arts in Communication (M.A.C.). Majors in speech communication and mass media are available, and both majors share a common core of four courses in theory and research methods. The M.A.C. prepares students for study at the doctoral level and for advancement in their professional fields. Students studying speech communication will be educated in the advanced theory and practice of communication in such areas as interpersonal, intercultural, and organizational communication, in addition to conflict management and advanced presentational skills. Students studying mass media will be educated in the theory of practice of media economics and management, law and ethics, and digital communication. Thesis and non-thesis options are available. Both programs seek to enhance students' communication, critical thinking, problem-solving skills, leadership potential, as well as an appreciation for cultural diversity.

Selected Educational Outcomes for Speech

1. To demonstrate the ability to develop research questions in the field of communication, design research methodologies using qualitative or quantitative methods, conduct research, and report findings.
2. To demonstrate competency in the knowledge of general communication theory, and, more specifically, interpersonal, organizational, conflict resolution, and intercultural communication theories.
3. To produce systematic and thoroughly researched work appropriate to the discipline.
4. To demonstrate competency in professional communication skills in a variety of settings including public speaking, speechwriting, group leadership, and interviewing in a manner that is culturally sensitive.
5. To demonstrate the development and refinement of critical thinking abilities in communication.
6. To participate in activities related to the profession.

Outcome Assessments for Speech

The department assesses the extent to which the program requirements create the desired outcomes by using a variety of techniques.

1. The policy of the Department of Communication Arts is that all graduate courses, other than skills courses, require such written work as essays and research papers to help determine progress in research and written communication skills, analytical and interpretive skills, and mastery of course content.
2. For graduate skills courses, students must demonstrate competency through written projects and performance of skills learned, in addition to assessing the performance of others.

3. The comprehensive written and oral examinations to which students not selecting the thesis option are subject prior to graduation evaluate the students' ability to integrate and apply information and skills learned in the program of study. They also measure the effectiveness of the program in teaching essential concepts.
4. Program graduates demonstrate their collaborative efforts through reports and presentations throughout the program. They are assessed by direct observation by department faculty.
5. Students not selecting the comprehensive examination option will complete a thesis that will be evaluated by department faculty.
6. When available, university-wide data pertaining to the program and its graduates will be used for assessment and improvement.

Selected Educational Outcomes for Media

1. To demonstrate the ability to develop research questions in the field of media, design research methodologies using qualitative or quantitative methods, conduct research, and report findings.
2. To demonstrate competency in the knowledge of general mass media theory, and, more specifically, the application of media theory and its impact and ramifications upon society.
3. To produce systematic and thoroughly researched work appropriate to the discipline.
4. To demonstrate competency in professional media industries in a variety of settings including content production, analysis, and audience response.
5. To participate in activities related to the profession.

Outcome Assessments for Media

The department assesses the extent to which the program requirements create the desired outcomes by using a variety of techniques.

1. The policy of the Department of Communication Arts is that all graduate courses, other than skills courses, require such written work as essays and research papers to help determine progress in research and written communication skills, analytical and interpretive skills, and mastery of course content.
2. For graduate skills courses, students must demonstrate competency through written projects and performance of skills learned, in addition to performing assessments on the performance of others.
3. The comprehensive written and oral examinations to which students not selecting the thesis option are subject prior to graduation evaluate the students' ability to integrate and apply information and skills learned in the program of study. It also measures the effectiveness of the program in teaching essential concepts.
4. Program graduates demonstrate their collaborative efforts through reports, field-based projects, and presentations throughout the program. They are assessed by direct observation by department faculty and by documentation in a professional portfolio.
5. Students not selecting the comprehensive examination option in the graduate program will complete a thesis that will be evaluated by departmental faculty.
6. When available, university-wide data pertaining to the program and its graduates will be used for assessment and improvement.

Prior to admission to any graduate program at Valdosta State University applicants must first submit a completed application to the Graduate School. A completed application packet includes official transcripts from all institutions previously attended, official test scores (GRE), completed application packet, fee, and any additional program requirements (listed below) submitted by the admission deadline. To be considered for your preferred term, all required materials must be received by the Graduate School no later than the close of business on the deadline. It is the responsibility of the applicant to allow adequate time for document submission and to ensure receipt of documents.

DEPARTMENT OF MUSIC

Dr. James A. Shrader, Head
Room 259, Fine Arts Building

The Department of Music offers instruction in music and music education leading to the Master of Music Education degree or to the Master of Music in Performance degree

The Master of Music Education (M.M.Ed.) degree is offered for music educators who wish to further develop their competence in music teaching and to enhance their credentials in the music education profession. These studies are designed to explore the materials and methodology of musical instruction in depth and to develop the ability to understand and evaluate research in music and music education.

The Master of Music in Performance (M.M.P.) is a 36-semester-hour, non-thesis master's degree program intended to further the musical and academic skills of accomplished musicians. Its purpose is to prepare musicians for careers in professional performing, conducting, and studio teaching. Students in the M.M.P. degree program will refine their performance skills to an advanced degree, deepen their knowledge of the academic and research aspects of music, and further develop their pedagogical skills

COLLEGE OF NURSING

Anita G. Hufft, Ph.D., R.N., Dean
Room 224, S. Walter Martin Hall

The College of Nursing offers a program that leads to a Master of Science in Nursing (M.S.N.) degree.

Master's nursing education builds on baccalaureate nursing education and prepares nurses for specialized clinical roles. The M.S.N. program offers three clinical tracks: Advanced Nursing of Growing Families, Advanced Nursing of Adults, and Psychiatric/Mental Health Nursing. Four role options are available to graduate students: Care Manager, Nurse Practitioner, Nurse Educator, and Nurse Administrator. Graduate students must select one clinical track and one role option. The College offers a special curriculum for Registered Nurse applicants leading to the B.S.N. or to both the B.S.N. and M.S.N. Please contact the College directly for information about this accelerated curriculum. Both the bachelor's degree (B.S.N.) and the master's degree (M.S.N.) programs in the College of Nursing are accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC 20036. Telephone 202-887-6791; Fax 202-887-8476. Questions about accreditation status may be addressed to this organization.

All students take a common core before entering the clinical and role options. The common core includes pathophysiology, research, theory, and an issues seminar.

MSN Program Objectives

1. Synthesize knowledge from a variety of evidence (conceptual models and theories from nursing and related disciplines, practice wisdom, and ethics) in advanced nursing practice.
2. Employ scientific inquiry and other ways of knowing to validate, refine, and develop knowledge relevant to advanced nursing practice and the delivery of health care services.
3. Effect health policy and promote change through leadership, innovation, and management expertise.
4. Practice advanced nursing in collaborative relationships across disciplines and with communities.
5. Demonstrate health care informatics literacy within the context of advanced nursing practice.
6. Promote culturally competent systems that reflect the global context of health.

7. Implement strategies for ongoing personal and advanced professional development through professional involvement, lifelong learning, and fostering an appreciation for doctoral study.

Examples of Outcome Assessments

1. Each student must pass a comprehensive examination which tests communication, critical thinking, advanced discipline knowledge, and the ability to synthesize.
2. Each student must demonstrate application of theory, practice, knowledge, critical thinking, and problem solving by completion of a thesis or project.

MASTER OF SCIENCE IN NURSING

Prior to admission to any graduate program at Valdosta State University, applicants must first submit a completed application packet to the Graduate School. A completed application packet includes official transcripts from all institutions previously attended, official test scores (GRE or MAT), completed application form, fee, and any additional program requirements (listed below), submitted by the admission deadline. To be considered for the preferred term, all required materials must be received by the Graduate School no later than the close of business on the deadline. It is the responsibility of the applicant to allow adequate time for document submission and to ensure receipt of documents.

Admission Deadlines: Fall Deadline: July 15
 Spring Deadline: November 15
 Summer Deadline: April 15

Program Admission Requirements

To be considered for admission to the Master of Science in Nursing, an applicant must have

1. graduated from a NLNAC-accredited or CCNE-accredited Bachelor of Science in Nursing program
2. a GPA of 3.0 or higher on a 4.0 point scale
3. minimum scores on the Graduate Record Examination (GRE) of 400 (if taken before November 2011) or 146 (if taken after November 2011) on the verbal section and 3.5 on the analytical writing section. A Miller Analogies Test score of 400 or higher (or equivalent) will be accepted as an alternative to the GRE.
4. evidence of Georgia licensure as a registered nurse
5. three letters of recommendation from persons whose observations of the applicant's character and abilities are current. Letters of recommendation must be accompanied by the required General Graduate Recommendation Form.

NOTE: Admission to regular graduate status requires completion of a graduate-level statistics course.

Program Considerations for Probationary Status

Students must be recommended for Probationary status by the College of Nursing Graduate Faculty. To be reclassified as Regular status, probationary students must, at a minimum, maintain a 3.0 grade point average in the first 9 semester hours of graduate coursework and meet any and all contingencies and conditions set forth by the College of Nursing.

Program Retention, Dismissal and Readmission Policies

1. Students must have documentation of current malpractice insurance of \$1,000,000/\$3,000,000;
2. Students must have documentation of current health and accident insurance;
3. Students must have documentation of current certification in American Heart Association Healthcare Provider CPR;
4. Students must maintain current licensure as a Registered Nurse in the State of Georgia;
5. Students must provide evidence of current health status:
 - a. Current physical examination (by a medical physician or nurse practitioner) on admission, affirming that they are free from communicable disease and able to function safely in a clinical environment.
 - b. Immunizations: Documentation must include but is not limited to MMR (measles, mumps, rubella), tetanus toxoid, varicella titer, hepatitis-B vaccination, and PPD tuberculin test as required by affiliating clinical agencies.
 - i. MMR, serologic evidence of immunity or prior vaccination.
 - ii. Tetanus toxoid must remain up to date during tenure in the College of Nursing. The CDC recommendations for healthcare personnel are utilized by our clinical agencies. Adults who have completed a primary series of a tetanus/diphtheria-containing product (DTP, DTaP, DT, Td) should receive Td boosters every 10 years. Students younger than age 65 years with direct patient contact should be given a 1-time dose of Tdap, if Td booster is scheduled prior to admission or during tenure in the College of Nursing.
 - iii. Varicella (chickenpox) requires serologic proof of immunity, prior vaccination, or documented history of varicella disease.
 - iv. Hepatitis B vaccination or proof of immunity (anti-HBs at least 10 mIU/ml) is required. Students who initiate the recommended series for admission must provide proof of maintaining scheduled 3-dose series (dose #1 now, #2 in 1 month, #3 approximately 5 months after #2).
 - v. PPD (tuberculin skin test is required annually or proof of a negative chest X-ray (every 5 years)
 - vi. Influenza vaccine annually is recommended, but not required.

6. Students may be subject to background check and drug screening at any point during the program.
7. Students must have a minimum grade of “B” in all nursing courses;
8. Students must have a cumulative GPA of 3.0 for all graduate courses;
9. Students receiving two grades of “C” or below (“D,” “F,” “WF,” or “U”) will be dismissed from the program.
10. If dismissed from the program, the student must wait a minimum of 1 calendar year and obtain approval from the academic department before applying for readmission. The academic program reserves the right to place specific conditions and contingencies on any offer of readmission. Readmission is not guaranteed, and prior academic performance and conduct in the program will be considered.
11. The maximum time allowed for completion of the master’s degree is 7 calendar years. No work completed more than 7 years prior to degree completion will be accepted toward the degree, except with special permission from the student’s major professor, the Dean of the College of Nursing, and approval from the Dean of the Graduate School.
12. No more than 9 semester hours of academic work may be transferred from another institution into a master’s-level graduate program. This credit must be documented in the form of an official transcript at the time of admission. Transfer credit will be evaluated after admission, by the academic department. To be eligible, credit must be no more than 7 years old prior to completion of the degree.

Program Graduation Requirements

1. Students must complete an application for graduation one semester prior to their expected graduation date;
2. A 3.0 cumulative grade point average (GPA) is required for graduation. No grade below a “C” will be credited toward the degree.
3. Satisfactory completion of the comprehensive examination covering the areas of theory, research, the clinical focus, and the selected role.
4. Successful completion of a thesis or project.

DIVISION OF SOCIAL WORK

Dr. Martha Giddings, Director
Pine Hall

The Division of Social Work offers a Master of Social Work degree. Social Work is a profession committed to improving the quality of life for all individuals. Social workers perform a variety of roles in many settings and are eligible for professional certification and state licensure. The Master of Social Work degree program at Valdosta State University is designed to prepare students for advanced generalist practice. Social workers in advanced generalist practice use their skills as direct service providers in interventions with individuals, families, groups, organizations, as well as in communities, in the role of supervisors, managers, administrators, researchers, and social planners.

MASTER OF SOCIAL WORK

Selected Educational Outcomes

1. Using the strengths perspective, graduates will practice without discrimination and with respect, knowledge, and skills that are appropriate for the range of human differences.
2. Graduates will demonstrate the ability to practice at increasing levels of complexity using specialized theories and practice methods.
3. Graduates will demonstrate elements of leadership and the ability to shape the professional environment.
4. Graduates will demonstrate an increasing ability to engage in informed and systematic self-directed practice.

Examples of Outcome Assessments

1. Students must complete all academic requirements to a satisfactory degree, including 1,000 clock hours of practicum.
2. Students must submit a portfolio to the faculty during the last semester in residence, which reflects the way in which they met all program objectives.

This program is accredited by the Council on Social Work Education (CSWE). VSU graduate students who are not enrolled in the M.S.W. program may take elective courses with the permission of the Director of the Division of Social Work, but required courses are restricted to M.S.W. students. The M.S.W. program is cohort-based, and the order of courses is strictly determined by selection of program. Academic credit will not be given for life experience or previous work experience.

Program cohort options and detailed programs of study are available at the Division of Social Work office and website <www.valdosta.edu/sowk>. Students are admitted to one of the following cohort options:

- (1) On-campus option: Full-Time (2-year); Part-Time (3- or 4-year);
- (2) Web-based (3-year) including 5 weekends of on-campus classes each semester;
- (3) Advanced Standing option: Full-Time On-Campus (1-year); Full-Time Web-Hybrid (1-year); Part-Time On-Campus (2-year); Part-Time Web-Hybrid (2-year).

Advanced Standing students may request either the on-campus or web-based option and may elect to attend classes full-time or part-time. The Advanced Standing option is available only to students who received a Bachelor of Social Work (B.S.W.) from a CSWE-accredited program in the last 5 years. Additional admission requirements apply. Enrollment in this option is extremely competitive, and space is limited.

Prior to admission to any graduate program at Valdosta State University, applicants must first submit a completed application to the Graduate School. A completed application packet includes official transcripts from all institutions previously attended, official test scores (GRE, MAT), completed application form, fee, and any additional program requirements (listed below), submitted by the admission deadline. To be considered for the preferred term, all required materials must be received by the Graduate School no later than the close of business on the deadline. It is the responsibility of the applicant to allow adequate time for document submission and to ensure receipt of documents.

Application Deadlines

Deadline for applications is March 15 of each year. Applications received after the deadline will be considered on a space-available basis. Classes start in May or August for regular M.S.W. students and in May for Advanced Standing students (B.S.W.).

Field Practicum

Students in the M.S.W. program complete two separate year-long practicum experiences. These field placements in social service agencies run concurrently with coursework and allow students an opportunity to integrate classroom content with actual practice experiences. Students are required to complete 16 to 18 hours per week in practicum, depending on program cohort option. Practicum placements are geographically limited and determined by the Director of Field Instruction.

MASTER OF LIBRARY AND INFORMATION SCIENCE

Dr. Wallace Koehler, Director
Odum Library

The mission of the Valdosta State University (VSU) Master of Library and Information Science Program is to provide a quality publicly supported education for generalists and specialists in the library and information science fields. Its primary focus is to educate librarians for academic, public, and special libraries in Georgia.

The MLIS Program is a 39-hour non-thesis program that is delivered primarily over the Internet. It is based on VSU's assessment of the graduate education needs of library and information science professionals in Georgia. The program features a curriculum designed for students who cannot leave jobs and families to return to a single campus for extended periods.

New students begin in the fall or spring semesters. MLIS 7000, Foundations of Library and Information Science, offered every fall and spring, is prerequisite or corequisite to many other MLIS courses. The program requires all entering students to attend a face-to-face orientation on the Valdosta State University campus. For additional information about the Master of Library and Information Science Program see <http://www.valdosta.edu/mlis/>

Selected MLIS Program Goals

Prepare library and information practitioners to be successful in entry-level positions in academic, public, and special libraries.

Use data gathered and analyzed through the assessment system to make program-related decisions.

Program Objectives (expressed as student learning outcomes)

Graduating students of the VSU MLIS program will demonstrate the ability to

1. perform administrative, service, and technical functions of professional practice in libraries and information centers by demonstrating skills in
 - information resources
 - reference and user services
 - administration and management
 - organization of recorded knowledge and information.
2. use existing and emerging technologies to meet needs in libraries and information centers.
3. integrate relevant research to enhance their work in libraries and information centers.
4. demonstrate professionalism as librarians or information specialists.

Examples of Outcome Assessments

To qualify for graduation, each candidate will demonstrate acceptable performance in all program assessments as well as compliance with other requirements for graduation imposed by the program and the Graduate School. The following are examples of program assessments:

1. the Applied Library Experience Notebook, a collection of fieldwork and simulations of fieldwork conducted across four core courses in the MLIS program
2. a collection development project
3. a reference transaction assessment
4. a social cataloguing technology project
5. a research proposal
6. a career ePortfolio organized in a digital format
7. an analysis of an LIS-related code of ethics

Admission to the MLIS Program

Prior to admission to any graduate program at Valdosta State University, applicants must first submit a completed application to the Graduate School. A completed application includes evidence of completion of a bachelor's degree and official transcripts from all institutions previously attended, completion of application form, application fee, and any additional program requirements; all required materials and fees must be submitted by the admission deadline. It is the responsibility of the applicant to allow adequate time for document submission and to ensure receipt of documents. Full information about applying to the MLIS program can be found on the VSU Graduate School website.

Admission Deadlines

- Fall deadline: March 15
- Spring Deadline: October 15

Progression, Retention, Dismissal, and Readmission Policies

1. Students must have a cumulative institutional GPA of 3.0 for all graduate courses in order to graduate from the MLIS program.
2. Earning grades below "B" in graduate courses will result in the following consequences: Students will be dismissed from the Graduate School if they accumulate three or more academic deficiency points unless otherwise indicated by individual program policy. A grade of "C" (although it may be credited toward a degree) equals one deficiency point. A grade of "D," "WF" or "F," or "U" (none of which will be credited toward a graduate degree) equals two deficiency points. Candidates admitted PRIOR to Fall 2011 and receiving two grades below "C" ("D," "F," "WF," "U") will be dismissed from the program. One grade below a "C" results in a warning letter. Additionally, all MLIS students admitted Fall 2011 and thereafter must earn a grade of "B" or better in MLIS 7000, 7100, 7200, 7300, 7700, and 7800.

3. If dismissed from the MLIS program, the student must wait a minimum of two semesters and obtain approval from the MLIS Program Director before applying for readmission. The MLIS Program reserves the right to place specific conditions and contingencies on any offer of readmission. Readmission is not guaranteed, and prior academic performance and conduct in the MLIS Program will be considered.
4. The maximum time allowed for completion of the master's degree is 7 calendar years. No work completed more than 7 years prior to degree completion will be accepted toward the degree, except with special permission from the student's major professor and the Director of the Master of Library Information and Science Program, and approval from the Dean of the Graduate School.
5. MLIS students wishing to transfer credits from an outside institution must follow these guidelines:
 - a) a maximum of nine credits from a previous completed graduate degree may be used. No time limit applies to this category.
 - b) a maximum of six credits of transfer courses that did not apply to a completed degree may be used toward the MLIS degree. Courses transferred in this category cannot be older than 7 years at the time of completion of the MLIS degree.
 - c) categories A and B combined may not exceed nine credit hours.
 - d) transfer of credits for graduate courses requires the development of a program of study using the appropriate form obtained from the MLIS Program. The student and the advisor must draft the program of study, and the completed form must be signed by both the MLIS Program Director and by the Dean of the Graduate School.

Program Graduation Requirements

1. Satisfactory completion of all MLIS Program Assessments in force at the time the candidate was admitted to the MLIS Program.
2. A grade of "B" or better in each of the MLIS Program's core courses. These courses are MLIS 7000, 7100, 7200, 7300, 7700, and 7800.
3. A 3.0 cumulative grade point average (GPA). No grade below a "C" will be credited toward the degree.
4. Submission of a graduation application no later than one semester prior to the anticipated graduation date.

MLIS 7300, MLIS 7700, MLIS 7800	9 hours
Electives	21 hours

Total Required for the Degree 39 semester hours

The grade of “B” or higher is required for MLIS 7000. A student earning a grade below “B” must repeat MLIS 7000 at the first opportunity. A grade below “B” in MLIS 7000 does not fulfill the MLIS 7000 prerequisite requirement for other courses.

Optional Track in Cataloging and Classification. 12 hours

MLIS 7300	3 hours
MLIS 7330, 7350, 7355, 7360, 7370, 7440, 7950*, or 7999*	6 hours
MLIS 7960*	3 hours

* MLIS 7950, 7960, and 7999 must have a cataloging or classification emphasis.

*MLIS 7950 will be used only when the other courses are not available to the student.

With the consent of the cataloging professor, paraprofessional or volunteer experience with cataloging or classification may substitute for MLIS 7960. In this case, the student will take another 3-credit-hour course in cataloging or classification.

Optional Track in Library Management. 12 hours

MLIS 7200	3 hours
MLIS 7210, 7220, or 7230	3 hours
MLIS 7240, 7250, 7260, 7270, 7950+, 7960+, or 7999+	6 hours

+ MLIS 7950, 7960, and 7999 must have a library management emphasis.

+MLIS 7950 will be used only when the other courses are not available to the student.

Optional Track in Reference Sources and Services.	12 hours
MLIS 7100	3 hours
MLIS 7110, 7111, 7120, 7130, 7150, 7160, 7170, 7180, 7430, 7950*, or 7999*	6 hours
MLIS 7960*	3 hours

*MLIS 7950, 7960, and 7999 must have a reference emphasis. MLIS 7950 will be used only when the other courses are not available to the student.

Optional Track in Technology.	15 hours
MLIS 7370	3 hours
MLIS 7500, 7520, 7550, or 7580	6 hours
MLIS 7330, 7350, 7440, 7505, 7950*, 7960*, or 7999*	6 hours

*MLIS 7950, 7960, and 7999 must have an emphasis on information technologies. MLIS 7950 will be used only when the other courses are not available to the student.

Optional Track in Health Sciences Librarianship.	15 hours
MLIS 7170, MLIS 7111	6 hours
MLIS electives	6 hours
MLIS 7230 and MLIS 7440 are highly recommended. Other electives that qualify for this track are MLIS 7150, 7950*, 7999*, and either MLIS 7500 or MLIS 7505.	
MLIS 7960*	3 hours

*MLIS 7950, 7960, and 7999 must have an emphasis on health sciences librarianship. MLIS 7950 will be used only when the other courses are not available to the student.

Optional Track in Youth Services Librarianship.	15 hours
MLIS 7422, 7220, 7425	9 hours
MLIS 7420, 7421, 7423, 7950*, 7960*, or 7999*	6 hours

*MLIS 7950, 7960, and 7999 must have a youth services emphasis. MLIS 7950 will be used only when the other courses are not available to the student.
