

TUITION, FEES, AND COSTS

Mr. James Michael Brignati
Vice President for Business and Finance

Valdosta State University, as a unit of the University System of Georgia, receives the major portion of its operating funds through appropriations from the State of Georgia. This support enables the University to offer high quality educational programs at a minimal cost to its students.

Each year Valdosta State University offers two terms of instruction: fall, and spring, which are collectively called the academic year. Another term is offered in the summer. Charges are in accordance with the regulations and schedules set forth below, the basis of which is the number of hours scheduled. These fees are due and payable as an integral part of the registration process, and students should not commence registration without having money sufficient to pay all fees. For a student to be considered in “financial good standing” at this institution all tuition, fees, library, parking, food service, or other fees must be paid in full. The University reserves and intends to exercise the right to withhold copies of education records and/or cancel the enrollment of students who owe the University money.

The University reserves the right to change without previous notice its fees, charges, rules, and regulations at the beginning of any term. This right will be exercised judiciously.

Tuition and fees are due and payable as an integral part of the registration process and must be paid on or before the date of registration. The amount owed is based on the courses for which students are registered, living accommodations on campus, and meal plan selected and is detailed on the registration schedule. Total charges can be determined via the telephone registration system after selecting your course schedule. Payment is accepted by check, Master Card or Visa, via the mail, drive-thru teller or 24-hour drop box at the University Bursary. Complete payment for tuition, dorm, apartment, meal plan, “Holds,” vehicle registration, etc. must be made to validate registration. The only way registration for classes, campus housing, and meal plan can be activated is by payment of fees by the designated day. Otherwise, cancellation of registration is automatic.

Students who have anticipated financial aid should verify their aid is adequate to cover all charges. If aid is adequate, all classes will be automatically validated. The student is responsible for dropping any classes to avoid unsatisfactory grades and financial liability.

No partial payments can be accepted.

The entire fee payment instructions with deadline dates are included in the booklet of class offerings for each term. It is absolutely essential that each student read and adhere to the instructions and dates as stated in each term’s fee payment instructions. The Valdosta State University Homepage at <http://www.valdosta.edu> is an additional resource for updated information.

Rules Governing the Classification of Students as Residents and Non-Residents

1. (a) If a person is 18 years of age or older, he or she may register as a resident student only upon showing that he or she has been a legal resident of Georgia for a period of at least twelve months immediately preceding the date of registration.
(b) No emancipated minor or person 18 years of age or older shall be deemed to have gained or acquired in-state residence status for fee purposes while attending any educational institution in this state, in the absence of a clear demonstration that he or she has in fact established legal residence in this state.
2. If a person is under 18 years of age, he or she may register as a resident student only upon a showing that his or her supporting parent or guardian has been a legal resident of Georgia for a period of at least twelve months immediately preceding the date of registration.
3. A full-time employee of the University System and his or her spouse and dependent children may register on the payment of resident fees even though he or she has not been a legal resident of Georgia for the preceding twelve months.
4. Non-resident graduate students who hold teaching or research assistantships requiring at least one-third time service may register as students in the institution in which they are employed on payment of resident fees.
5. Full-time teachers in the public schools of Georgia and their dependent children may enroll as students in the University System institutions on the payment of resident fees.
6. All aliens shall be classified as non-resident students provided that an alien who is living in this country under a visa permitting permanent residence shall have the same privilege of qualifying for resident status for fee purposes as a United States citizen.
7. The president or his authorized representative may waive out-of-state tuition for international students, provided, however, that the number of such waivers in effect at any time does not exceed one percent of the equivalent full-time students enrolled at the institution in the Fall Term immediately preceding the term for which the out-of-state tuition is to be waived. Such waivers are granted for one year only and must be renewed annually.
8. If the parents or legal guardian of a minor change his or her legal residence to another state following a period of legal residence in Georgia the minor may continue to take courses for a period of twelve consecutive months on the payment of resident fees. After the expiration of the twelve month period the student may continue registration only upon the payment of fees at the non-resident rate.
9. In the event that a legal resident of Georgia is appointed as a guardian of a non-resident minor, such minor will not be permitted to register as a resident student until the expiration of one year from the date of court appointment, and then only upon proper showing that such appointment was not made to avoid payment of the non-resident fees.
10. Military personnel on active duty and stationed in the state of Georgia, as well as their dependents, shall be assessed tuition at the same rates as a legal resident of the state. Persons severing military service shall be considered non-residents, unless they otherwise qualify for resident status.

11. Permanent legal residents of the Florida counties of Hamilton or Madison, and their dependents shall be assessed tuition at the same rates as a legal resident of the State of Georgia upon the presentation of proof of domicile satisfactory to the institution.

Please Note: In order to avoid delay and inconvenience upon arrival for registration, any question concerning residence status should be clarified immediately upon receipt of acceptance of admission, or not later than one month prior to the registration date. Questions for clarification should be addressed to Resident Committee, Personnel Department, Ashley Hall, Valdosta State University, Valdosta, Georgia 31698.

Student Responsibilities

- A. **Student Responsibility to Register Under Proper Classification:** The responsibility of registering under the proper residence classification is that of the students. If there is any question of their right to classification as a legal resident of Georgia, it is their obligation, prior to or at the time of their registration, to raise the question with the administrative officials of the institution in which they are registering and have it officially determined. The burden always rests with the students to submit information and documents necessary to support their contention that they qualify for in-state residency under Regents' regulation.
- B. **Notification Upon Becoming a Non-Resident:** Students who are classified as residents must notify the proper administrative officials of their institution immediately of any change in their residency status.

Reclassification of Non-Resident Students

Those non-resident students who believe they have met the resident requirements as previously set forth may complete a Petition for Residence Status, which is available in the Personnel Department, Ashley Hall, and must be completed and supported by the required documentation before an initial review of status can be conducted.

The initial review is conducted by a member of the Business Office staff who will rule on the basis of oral evidence and other documentation supporting the petition for resident status. The results of the initial review, if unfavorable, may be appealed to the Residence Status Review Committee and ultimately to the president, if such action is required.

Such petitions and appeals must be completed no later than 60 days following registration for the academic term for which residence status is to be effected. If the petition is granted, reclassification will not be retroactive to prior terms.

Should it be determined that the student has misrepresented or omitted material facts which results in classification or re-classification as a resident student, retroactive charges for non-resident fees will be made and must be paid prior to the close of the academic term in which they are levied.

CHECK CASHING SERVICE

All checks and money orders must be payable through a United States Bank. To accommodate students, the University will cash personal checks from 8:00 a.m. to 5:00 p.m., Monday through Thursday, and from 8:00 a.m. to 2:30 p.m. on Fridays, inside the University Bursary. The hours of service of the Drive-Through at the University Bursary are 8:00 a.m. to 7:00 p.m., Monday through Thursday, and until 5:00 p.m. on Friday. Checks may also be cashed in the Bookstore during the normal hours of business. The University is restricted from cashing checks that require an amount in excess of \$50 to be returned to the individual. Checks drawn for cash only must be made payable to "VSU-CASH."

The University will not accept two-party checks for cashing. **Parents who send their son or daughter spending money by check should make their check payable to VSU with the student's name on the "for" section of the check.**

Checks Returned by the Bank

Checks issued to the University in payment of fees, purchases of books, etc., or to be cashed for personal convenience must be paid upon presentation to the bank on which they are drawn. Checks returned to the University for insufficient funds, account closed, stopped payment, or for any other reason will be handled in accordance with the State Laws of Georgia.

Briefly, the Georgia Code requires the following procedure: The official notice of a returned check will be sent by certified letter instructing the writer either to bring cash or to send a certified check, money order, or cashier's check in the amount of the returned check, plus the returned check fee to the Cashier in the University Bursary to clear the university record. The returned check fee is \$20.00, or 5% of the face amount of the check, whichever is greater. The returned check fee applies to each returned check. If the returned check is for registration fees, the late registration fee of \$25.00 is also assessed. The law grants ten (10) days from receipt of the official certified letter to tender payment in full for the returned check(s) and the service charges.

Unless the full amount is paid within ten (10) days from date of receipt of this letter, the holder of the check or instrument may turn over the dishonored check or instrument and all other available information relating to this incident to the magistrate for the issuance of a criminal warrant or citation or to the district attorney or solicitor for criminal prosecution. Immediate action will be taken against a person who issues a check on a closed account or who stops payment on a check.

Additionally, the University can suspend the student from class and from any facilities of the University for a returned check of any reason. Suspension from class will not relieve the student from the obligation for payment of the returned check and fees.

STUDENT IDENTIFICATION CARD

Each student is issued an identification card on registration day. The card bears a photograph of the student, student number, and the student's signature. Cards are issued without charge to students upon initial enrollment. In each subsequent term, the card must be presented at registration to be validated.

Students must have their I.D. cards in their possession at all times and must present their I.D. card as a means of identification when requested by any public safety officer or university official.

The card represents the student's authorization to attend student activity functions, to utilize the services available in the library, and it provides the student with the identification necessary to cash checks on campus. All students are responsible for controlling their I.D. card. The use of the card to obtain goods and services from the University is restricted to the individual to whom the card is issued. Use of the card by the owner is contingent upon the proper payment of fees. Both the student who uses another's I.D. card and the owner of the card will be held responsible for misuse.

Lost I.D. cards must be replaced. The cost of replacement is \$10. To replace a lost card during the term the student must report to the Blazer Card Office in the Palms Dining Center. A new I.D. card will be issued upon payment of \$10 and verification of identity by means of a separate photo I.D..

SUSPENSION OF STUDENTS FOR CAUSE

The University reserves the right to suspend any student who fails to meet his or her financial responsibility, according to the rules and regulations of the University. The rules and regulations provide that:

1. All fees are due and payable upon completion of registration. Students should not report for registration without having sufficient funds available to pay their fees. The payment instructions are in each term's class offering booklet.
2. Any check issued to the University in payment of fees, or to be cashed for personal convenience, must be paid upon presentation to the bank on which it is drawn. A student who issues a check on a bank without having sufficient funds on deposit in that bank has violated the statutes of the State of Georgia and may be prosecuted.
3. All fines for violations of the rules related to parking and traffic, and charges related to the library and other facilities such as laboratory breakage, etc., must be paid promptly. Those students having outstanding obligations will not be allowed to enroll in subsequent terms.
4. Misuse of an I.D. card may result in suspension from classes of all involved students.
5. Students who have secured short term loans must have this obligation paid in full according to the terms agreed upon with the Loan Officer to avoid suspension or possible cancellation of the term's registration.
6. Students who misrepresent the facts pertaining to their qualifications to live off-campus will be suspended from classes. In each instance, the student will be given proper notice to comply with the housing regulations before action is taken to effect suspension.
7. The University reserves and intends to exercise the right to withhold copies of education records and/or to cancel enrollment of students who owe the University money.

Valdosta State University has been defined by the Board of Regents of the University System of Georgia as a residential institution. This means that the University must provide on-campus housing and dining service. All students who live in residence halls are required to participate in the meal program. The policy is a part of the total “Living-Learning” concept of the University and is supported by an amendment to the Georgia Eighteen-Year-Old Bill which reads, “Nothing in this Act shall be construed to limit the powers of the Board of Regents of the University System of Georgia to adopt and enforce rules and regulations for the government, control, and management of the University System; nor shall this Act be construed so as to limit the authority of any institution in the University System of Georgia to adopt and enforce rules and regulations governing housing, conduct, discipline, and other related activities of the student body.” By Regents’ Policy the Auxiliary Services Division is totally self-supporting and receives no State allocations of funds.

HOUSING AND RESIDENCE LIFE

Valdosta State University administers a Freshman Residency Policy which requires that all Freshmen live on campus. To be exempted from this requirement, a student must apply for exemption and meet one of the following criteria: thirty semester hours of earned academic credit and sophomore status, age nineteen by September 30 of the current academic year, or residing with parent(s), spouse, or legal guardian. Exemption forms are available at the Office of Housing and Residence Life (912-333-5920).

Housing Application and Contract

The Housing Application and Contract are sent to students after their acceptance to the University. Housing applications may be submitted only after the student has been formally accepted by Valdosta State University. All students applying for campus housing will be required to contract for housing for the academic year. All students who plan to live in campus housing must pay an application fee of \$25.00 when they submit their Housing Application and Contract. Additionally, each student must pay a \$300.00 reservation fee by the deadline established in the Housing Contract. This reservation fee is applied to the student's spring semester rent. The housing contract outlines conditions under which refunds may be made. Occupancy of a room is terminated at the end of each spring semester. Students currently enrolled should obtain an application for housing at the Office of Housing and Residence Life, located at 104 Georgia Avenue.

Refer to the housing contract for specific terms and conditions. Please read the contract carefully: it constitutes a fully binding legal agreement with the University. Any resident desiring release from the contract prior to the conclusion of the academic year must complete a *Request for Release from Contract*, available in Office of Housing and Residence Life.

Residence Hall Schedule

The rate of \$895 per semester for 1998-1999, which includes the House Activity Fee and Post Office Box Fee, is in effect for each of the residence halls operated by the University. This rate is based on dual occupancy. The University reserves the right to require students to accept dual occupancy or, if a private room is available and requested, to pay an additional private room fee. It is the University's option to close any of its residence halls in any given semester or to reassign students to rooms at any time. Rates for future academic years will be posted on our web pages and available on campus once the rates have been established.

All students living in campus housing regardless of the number of hours in which they are enrolled are required to pay the Health Fee.

All new students are required to provide evidence of inoculation for mumps, measles, and rubella. The University Health Service recommends additional inoculations for diphtheria, tetanus, polio, and influenza.

PARKING AND TRANSPORTATION

All motor vehicles parked on campus must properly display a current parking permit at all times. Parking on campus is by permit only and is a privilege which may be withdrawn for cause at any time. All campus community members (students, faculty, staff, and visitors) are responsible for knowing and obeying parking regulations. Moreover, campus citizens are responsible for their guests and should ensure that they as well are aware of regulations. A parking regulations brochure (available to students, faculty, staff, and visitors) may be obtained at the Parking and Transportation Office. Detailed information about parking lots and instructions is also available on our web pages. Campus parking and traffic regulations are enforced under the authority of Georgia Code, Section 20-3-21. “VSU 1Card” SERVICES

The University uses a multipurpose identification and on-line debit account card called the “VSU 1Card.” It is an important part of every student’s campus life. The card bears a photograph of the student, student number, and the student’s signature. Cards are issued without charge to students upon initial enrollment. In each subsequent semester, the card must be presented at registration to be validated. Students must have their “VSU 1Card” in their possession at all times and must present the card as a means of identification when requested by any Public Safety officer or university official.

The “VSU 1Card” is used for identification, to make purchases at any on campus location displaying the “VSU 1Card” logo, to gain access to residence halls, to be admitted to athletic events, to check out books from the library, to sign out rooms for use through the Facilities Use Office in the University Center, to obtain services at the Farber Health Center, to gain entrance to VSU testing programs, to vote in SGA elections, and to cash checks on campus.

All students are responsible for controlling their Card. Use of the card to obtain goods and services from the University is restricted to the individual to whom the card is issued. Both the person who is permitted to use another’s Card and the owner of the Card will be held responsible for misuse. Use of the card by the owner is contingent upon the proper payment of fees.

Freshmen and transfer students will have their cards made at the “VSU 1Card” Office in Langdale Hall during orientation/registration. Fees must be paid for the current semester before the card can be obtained. Returning students who need to replace a lost/stolen card may do so at the same location after paying a replacement fee of \$15.00.

FINANCIAL AID ACADEMIC REQUIREMENTS

In accordance with the Higher Education Act of 1965, as amended, students must be making satisfactory academic progress, both in quality and quantity, to qualify for and continue to receive Title IV federal financial aid. The satisfactory academic progress standards for federal financial aid recipients at Valdosta State University are as follows:

Undergraduate Students

Qualitative. All students are expected to maintain the academic standards outlined in the official Bulletin of Valdosta State University. Students who fail to meet these standards will be placed on academic suspension. Students receiving financial aid who are

placed on academic suspension will have their financial aid terminated. Financial aid applicants placed on academic suspension at the end of their last quarter of attendance are not eligible for financial aid.

Quantitative. In addition to maintaining the specified grade point average, students receiving financial aid must complete their degree in accordance with certain criteria and successfully complete a minimum percentage of credit hours each academic year.

At Valdosta State University, the maximum number of hours allowed is 150% of the number of semester hours required to earn the degree. Examples: Students pursuing a degree which requires 120 semester hours may not receive financial aid after they have attempted 180 hours. If the degree requires 130 semester hours, students will be expected to have earned the degree after having attempted no more than 190 hours.

Students must successfully complete 67% of the courses for which they register in any academic year. The grades of A, B, C, D, and S count as the successful completion of a course. The grades of F, W, WF, I, IP, U, NR, and V do not count as the successful completion of a course.

Graduate Students

In addition to the quantitative standards required of undergraduates, graduate students must maintain a cumulative grade point average of not less than 2.5 in order to be eligible for financial aid.

Remedial Course Work

No student may receive financial aid for more than 30 hours of remedial course work, which includes all College Preparatory Curriculum deficiencies, remedial courses, or developmental study courses..

Monitoring of Satisfactory Progress

Qualitative academic requirements will be checked at the end of each semester and at the time the student applies for financial aid. The limitation of total hours attempted and the 67% completion requirements will be checked at the end of the spring semester. The grade point average of students who apply during the academic year will be checked as of the last semester attended; the limitation on the total hours attempted and the 67% completion requirement will be checked at the end of the previous spring semester.

Summer Semester

Courses taken during the summer are counted exactly the same as courses taken during any other semester.

Transfer Students

Transfer students will be considered as incoming freshmen for the initial disbursement of financial aid. Only grades earned at Valdosta State University will be used to determine the grade point average for financial aid eligibility. Hours transferred to Valdosta State University will be counted as total hours attempted at the end of the academic year.

Repeated Courses, Remedial Courses, Withdrawals, and Incompletes

Students should be careful in repeating courses, as all attempts at a course are counted in the maximum hours allowed to obtain a degree. Students are also reminded that withdrawing from a course does not count as successful completion and does not count in the required 67% completion rate each academic year. Incompletes also do not count as the successful completion of a course, and excessive incompletes can result in the termination of financial aid. Students can receive financial aid for no more than 30 hours of remedial course work (including remedial courses and courses to satisfy deficiencies in the College Preparatory Curriculum). However, students required to take remedial course work may have their eligibility extended by the number of remedial hours taken, up to a maximum of 30 hours.

Reinstatement of Aid

Reinstatement of Financial Aid depends upon availability of financial aid funds at the time of the application for reinstatement and other factors:

Students terminated from aid because of academic suspension or failure to complete 67% of their courses in an academic year may apply for reinstatement of aid after they have completed 9 or more semester hours with a grade point average of at least 2.0, at their own expense, at Valdosta State University.

Students terminated from aid for failure to exit Developmental Studies within 30 semester hours may apply for a reinstatement of aid when they have exited Developmental Studies.

Graduate students may request aid at any time their cumulative GPA reaches 2.5.

Appeals

Students wishing to appeal may do so by filling out a Satisfactory Progress Petition and presenting it to the Financial Aid Office, along with any supporting documentation. The Financial Aid Office staff may take into consideration illness, death in the immediate family, or any other extenuating circumstances. Students will be notified, in writing, of the decision. Students wishing to appeal the decision of the Financial Aid Office may do so by writing to the Student Financial Aid Committee.
